Bana nkunda,

Kuri uyu munsi mpuzamahanga wabagenewe, natekereje kuboherereza ubu butumwa. Nzishimira ko mwese muzabona ubu butumwa kandi nshimiye abazakora ibishoboka byose ngo bubagereho. Ubu butumwa mbuhaye mbere na mbere buri wese ku giti cye, wowe mwana, kuko uri uw'agaciro mu maso y'Imana(Iz 43,4) nk'uko ibyanditswe bitagatifu bibitwigisha kandi na Yezu ubwe akabiduhamo urugero.

Na none kandi, ndagira ngo mpe ubu butumwa umuntu wese kubera ko mwese mufite agaciro kandi kamwe, yaba abari kure cyangwa abari hafi mugaragaza inyota yo gukura no guhora mwisubiraho. Mutwibutsa ko twese turi abana n'abavandimwe kandi ko nta wabaho adafite uwamubyaye, nta wakura adafite abantu bamuha urukundo kandi ngo habeho utanga urwo rukundo. (Mwareba ibaruwa nise Fratelli tutti, Twese turi abavandimwe 95).

Ku bw'ibyo, mwebwe mwese abana, muri mu byishimo by'ababyeyi n'imiryango, muri ibyishimo by'umiryango mugari w'abantu ndetse n'ibya kiriziba kandi muri ibyo byose buri umwe muri mwe agize urwo ruhererekane ruva mu gihe cyashize kugera mu bihe bizaza rugakwira isi yose. Niyo mpamvu mbasaba kumva buri gihe icyo abantu bakuru bababwira: Ba nyoko, ba so, ba sogokuru na ba sogokuruza kandi ntumuzibagirwe bamwe muri mwe bakiri bato bafite ibibazo by'uburwayi barwana nabyo kwa muganga cyangwa mu rugo, abazahajwe n'intambara n'ihohoterwa, abashonje n'abafite inyota, ababa mu muhanda, abisanga bagiye mu gisirikare cyangwa bagahunga, abatandukanye n'ababyeyi babo, abadashobora kujya ku ishuri, abafashwe bugwate n'udutsiko tw'abagizi ba nabi, ababaswe n'ibiyobyabwenge n'ubundi bucakara ubwo aribwo bwose n'ihohoterwa. Mu magambo make, abo bana bose babonye ubuto bwabo buhohoterwa muri iyi minsu, mubumve, mubumve by'ukuri, amaso yabo yozwa n'amarira gusa n'ukuvuka gukomeye kw'ikibi mu mitima yabo ndetse n'ababonye mu by'ukuri ko ikibi giteye ubwoba.

Nshuti zanjye bana, kugirango twivugurure ubwacu tuvugurure n'isi, ntibihagije ko tugirana ubumwe gusa hagati yacu:Birakenewe gukomeza ubumwe na Yezu. Kuri we twakira ubutwari bwinshi: aduhora hafi, Roho Mutagatifu aduha aratuyobora kandi akaduherekeza mu nzira zose z'isi. Isi iragenda ihindurwa n'utuntu duto kandi abantu nta bushake bafite nibura ngo batere intambwe ya mbere mu kubyamagana. Ahubwo,ubuto bwacu butwibutsa ko turi inzabya zoroshye , ko dukeneranye umwe ku wundi, nk'ingingo z'umubiri umwe (Reba Rom 12: 5; 1 Kor 12:26).

Ubucuti ni bwiza cyane kandi bucura mu buryo bwo gusangira , kubabarirana, hamwe no kwihangana, ubutwari, guhangana no gutekereza, nta bwoba kandi nta rwikekwe.

Yezu ubwe yarabidusezeranyije ubwo yavugaga ati: "Aho babiri cyangwa batatu bateraniye mba ndi hagati yabo" (Mt 18,20).
